Notice Concerning Fire Safety Protection

Dear Parent(s) or Legal Guardian(s),

Under Indiana Law, a childcare ministry may choose not to provide certain fire safety protections if the parent(s) or legal guardian(s) of each child is/are notified about the absence of the fire safety protections. The purpose of this notice is to advise you that this childcare ministry does not have the same level of fire safety protection as a licensed childcare center. As you have already been notified, the childcare ministry does not have to comply with the same sanitation, life and fire safety rules as a licensed daycare center. The reason you are being given this notice is to inform you that the Martini Kids Club Ministry has chosen to abstain from installing fire alarm systems within the facility. This facility will use smoke detectors and will conduct monthly fire drills, as required by the state Fire Marshal.

I/We, the parent(s) or legal guardian(s) of _____,
acknowledge that I/We have read and understand the above notice
concerning fire safety protection.
